At Colegio Adelita we would like to thank you for letting us help you to improve your Spanish language skills. We work everyday to improve ourselves and try to give our best for our own student's benefit. Thus, we hope we have helped you to achieve your learning goals and live a meaningful cultural experience, which is very important for us.

This is the reason why we would like to ask you if you could take few minutes to answer this evaluation form for classes, teachers, our office services and any additional services we or the families who collaborate with us have provided to you, because this is the way you can help us to improve ourselves and learn how to do better. We promise to keep your evaluation confidential.
